Health equals beauty with Intellimune™ Oil

The intelligence behind Intelligents Nutrients® is that it's a comprehensive internal/external system.

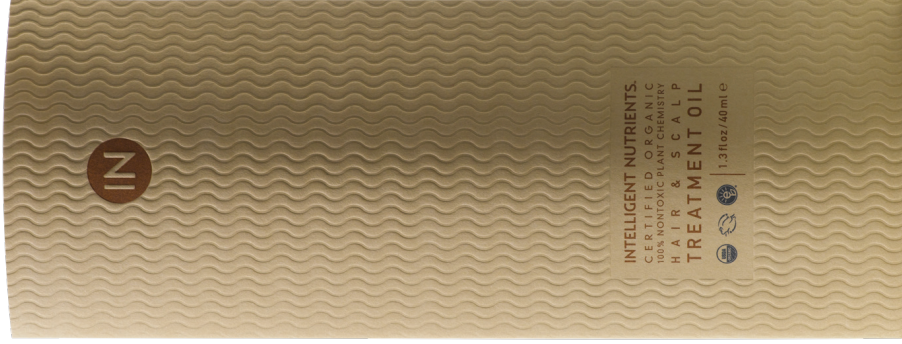

RITUAL : **1.** At the beginning of each service explain to guests that they'll be treated both internally and externally to Intelligents Nutrients® signature super-antioxidant, anti-aging Seed Oil Complex. **2. Internally:** Offer client one teaspoon of Intellimune™ mixed with juice and served at the beginning—or end—of service. **3. Externally:** Client chooses facial or hand application for intense hydration and reduction of inflammation and redness. **4. For face:** Apply a small amount into client's hands and instruct them to spread over damp face, including eye area. **5. For hands:** Provide a relaxing hand massage using a few drops of oil.

EDUCATION : **1.** Antioxidants help boost immunity and help combat aging by reducing cellular inflammation caused by destructive free radicals.* **2.** Two teaspoons equals the same antioxidative potency as eating 10 pounds of berries.

INTELLIGENT NUTRIENTS® RITUALS

Head for health

Certified Organic Hair and Scalp Treatment sets the tone for a truly special salon experience.

RITUAL: A six-step service given at the chair and rinse bowl: **1.** Apply Intellimune™ Certified Organic Hair and Scalp Treatment Oil to the hair and scalp. **2.** Massage scalp for 5 minutes. **3.** Lightly spray water over head and scalp. **4.** Massage Intellimune 70% Organic Hair Cleanser into hair and scalp until sudsy. **5.** Bring client to the shampoo bowl for rinse-out. **6.** Follow with 70% Organic Hair Treatment.

EDUCATION: **1.** Nourishing ingredients rich in antioxidants help restore skin and scalp health, reducing inflammation with soothing, nutritious ingredients rather than irritants. **2.** Great for urgent care.
